Upisni list nije dokaz o vlasništvu i moguće je da su podaci o vlasništvu u Upisniku brodova drugačiji. Upisni list svakako ne sadrži eventualne upise hipoteka, drugih tereta kao ni zabilježbi upisanih u Upisnik brodova.

Since the Certificate of Registry is not a proof of ownership and does not necessarily contain notice of all ownership changes, it is possible that the data differs in relation to data recorded in the Register of Ships.

In no case does it contain possible records of any mortgages, as well as other related encumbrances and particulars that are recorded in the official Register of Ships.
